

TOLEDO VOLLEYBALL CLUB ADVERTISING OPPORTUNITIES

This is a very exciting year for the Club! The Toledo Volleyball Club is celebrating its 20-year anniversary and the signing of a five-year lease with Lucas County Commissioners to lease Hall 1. Junior Olympic Volleyball is enjoying tremendous growth in the Toledo area and all over the country. The TVC organization is dedicated to providing the best opportunities for our young athletes to develop their volleyball skills and participate in a positive team activity and experience competitive sports.

There are four courts located at the facility. This will allow us to accommodate practice times and offer private lessons for our athletes. The Club fields on an average of 30 teams in 9 age divisions. The athletes are from grade schools, junior highs and high schools located throughout Northwest Ohio and Southeast Michigan. We also will be hosting weekend tournaments and encourage you to stop by and see us.

The Toledo Volleyball Club could not provide the level of opportunities without the dedication and support of our community. At this time we are seeking community support in our continued effort to provide the opportunities to the area's young athletes. We have a few advertising opportunities listed below.
