

Kroger Community Rewards Program

The KCR Program is available to all TVC players. Families who shop at Kroger can attach their Kroger Loyalty Card to TVC, then Kroger allocates money to the KCR fund and TVC will get a percentage of those funds based on the participation level. There is no limit to the number of family and friends each player can sign up for this program. There is an annual fee of \$10 per player to cover the administration of the account. For those who already shop at Kroger, this is an exceptionally simple way to offset fees.

If you have participated in KCR in the past you will need your sign-in information again this year. For new participants, you will need your Kroger Loyalty Card and an email account. **The TVC code is (NPO#) 80511.**
